## Mandatory details for certificates and training organization

- A **WSCO title** can only be used on a certificate together with a WSCO seal.
- A **training hour** has 60 minutes. Brakes longer than 30 minutes are not counted as training time.
- A **training group** has at least 6 members (counted without assistants or "Systemic Constellation Master Trainer, WSCO").
- **WSCO sealed certificates** (sticker with the WSCO logo and a unique seal number) are for WSCO trainings that have been conducted at least 80% of the time by an approved "Constellation Master Trainer, WSCO". The remaining up to 20% of the training can be conducted by another highly qualified person under the supervision of a "Constellation Master Trainer, WSCO".
- **Optional interactive online Training:** All "Systemic Constellation Master Trainer, WSCO" may use **online interactive** training (e.g., Zoom with breakout groups) as long as they specifically write the number of days and hours that were online in the text of the certificate.
- **Optional online non-interactive training hours** (asynchronous training), up to 20% of course hours, are only allowed for Master Trainers who have received written approval from our online commission. To submit your request for approval, please write to [office@we-evolve.world](mailto:office@we-evolve.world)  
Details are here: [www.wSCO.online/blog/commissions/commission-online-training](http://www.wSCO.online/blog/commissions/commission-online-training)

## Optional Details

- In addition to our standard qualifications, it is possible to create and use a special new qualification with the written approval of the WSCO Training Commission. Such trainings are listed in the curricula area under "Approved Qualifications". The participants of such trainings with a sealed certificate can also apply for a free-of-cost membership forever. You can find such curricula under approved qualifications here: [www.wSCO.online/about/approved-qualifications](http://www.wSCO.online/about/approved-qualifications)  
The title and content of an approved qualification should not look like it is of a lower standard than a qualification from our standard qualifications. The number of hours and days, as well as the required entrance qualifications, need to be stated clearly.
- With more than 10 participants, it is highly recommended to involve an assistant who must be qualified at least at the level of the relevant training qualification.
- We recommend individual or group supervision & peer practices.
- Training content for the qualification: We highly recommend listing the complete trained main content and the complete amount of training hours and days that are needed for the certified qualification on the backside of the certificate or on a separate signed document.
- Entry Requirements with not WSCO sealed certificates: Certificates with a comparable amount of face-to-face training from a Constellation Trainer with a comparable qualification background as a "Systemic Constellation Master Trainer, WSCO" can be accepted as an entry requirement as well. In case of any ambiguity or uncertainties, please contact the WSCO President in charge or the WSCO office.
- To state the academic value of a WSCO sealed certificate, the following statement can be used: "Because of the high quality of this training, it may be recognized as ECTS credit points in academic studies in psychology with a focus on Constellation."
